

Genetec Montreal Campus

The business center is located the Genetec main's build on 2280 Boulevard Alfred-Nobel. Visitor must check-in at the reception and your host will be notified.

Directions

- Upon arrival, all visitors must check in and have their barcode scanned by a guard in the designated far left lane.
- Please note if you arrive well in advance of the designated time on your registration, our Security personnel will not be able to check you in before your scheduled visit. Identification, such as a driver's license, passport or other government-issued ID, will be required during the check-in process.
- Once you have completed the check in process, proceed to the parking garage of your choice.

In Case of Emergency

Should an emergency arise, please follow your host's guidance. To report an emergency, call 911 first and then call the campus emergency number at 832-624-9999. Any suspicious activity should be reported to the campus information line at 832-624-1111.

Automatic external defibrillators (AEDs) are available on every floor of each office building.

Safety

When in motion:

- Do not text or read while walking.
- Always use the handrails.
- Take a pace and travel path appropriate for the conditions.

Security

The campus security measures are designed to be visible enough to function as a deterrent, yet sensitive to the aesthetics of the campus design.

- Weapons, illicit drugs, remote controlled devices, and alcohol are not permitted on the campus.
- By entering the campus you consent to have your person and belongings searched for such items.
- Do not use a camera without first discussing with your host.
